

## OUR STORY

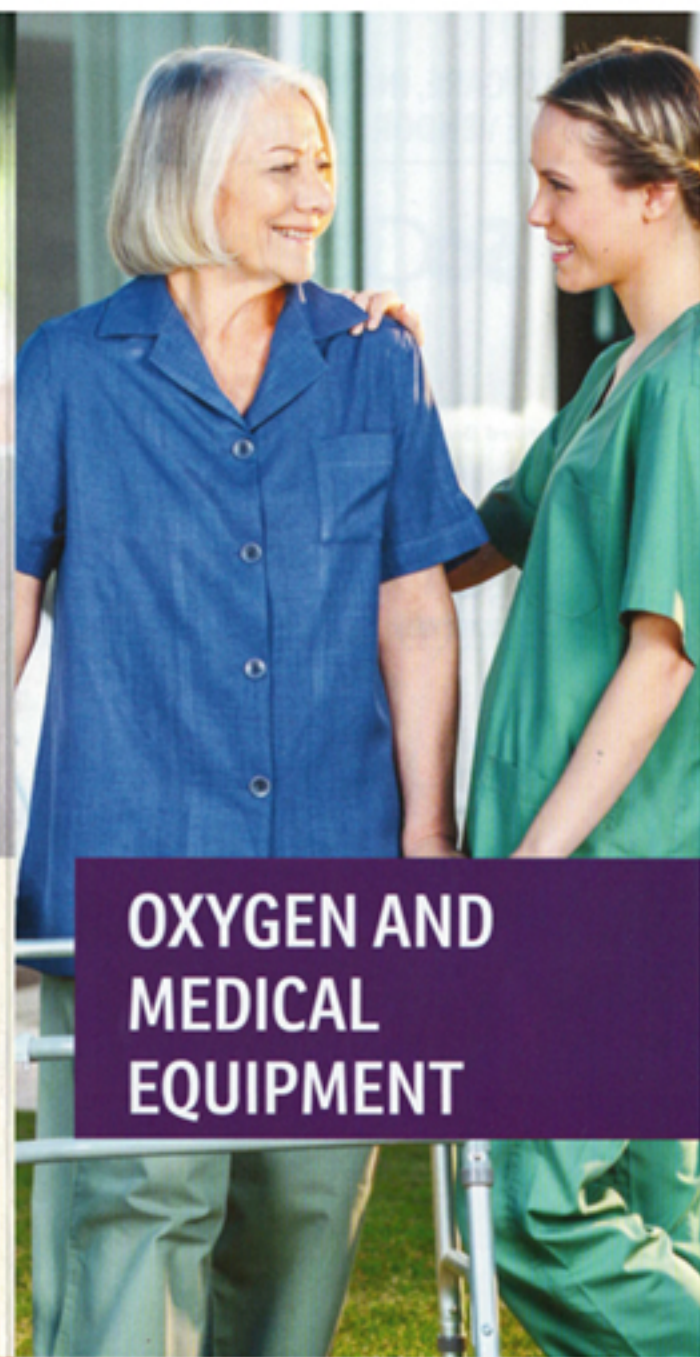

Locally owned and operated for over 20 years, Texas OxyCare Inc. specializes in respiratory care products. We bring experience, reliability, and dedication to assist each and every patient. Most importantly, we know that it's easy to be confused and lost when you need medical equipment, especially, if you have never needed it.

Whether you are looking for CPAP supplies, a power wheelchair, a lift chair, or other kind of medical equipment, you don't have to look far. You just have to come to see us!

## EQUIPMENT EXPERTS

San Angelo's most experienced clinical staff, with a Board Certified Clinical Nurse Specialist, Certified Respiratory Therapist, and a Licensed Vocational Nurse on staff for your continued medical needs! You can count on our staff to educate you, help you find the right products, and give you all the right information you need to use them properly.
